Why plant trees?

Clean the air & Clean the soil
Create unique fall foliage
Decrease street noise
Decrease water pollution
Economic opportunities
Fight soil erosion
Habitat for wildlife/songbirds!
Harvest wood, mulch, lumber, or firewood
Increase property value
Living snow fence & Windbreak
Nuts, berries, syrup
Play area for children
Produce oxygen
Provide shade
Reduce cooling costs 15-35%
Reduce heating costs 10-30%
Slow stormwater runoff
Spiritual inspiration
Year round beauty

What are the most popular Christmas trees?

Fraser Fir, Doug Fir, Balsam Fir, and Blue Spruce consistently rank highest.

Got deer?

Avoid cedar and fir trees, unless precautions are used to deter deer.

What if I want trees that are NOT on this form?

Call (315) 782-2749 to check availability. Special orders may be processed for orders of 30 or more.

Providing today,
protecting tomorrow

Due to planting techniques & weather conditions, seedlings/transplants are not guaranteed. We reserve the right to refund payment if needed. Supplies are limited; it is best to order early for best selection.
