Jefferson County Soil and Water Conservation District (JCSWCD) manages 5500 acres of County Reforestation lands in Jefferson County, New York. The property is in need of pre-commercial thinning. The SWCD owns a JD 333G Hi-Flow Compact Tracked Loader.

Jefferson County Soil and Water Conservation District is looking for RFP's for the acquisition of a skid steer tree harvesting forestry attachment. The attachment must be a circular disc style cutting head. The attachment will be used for pre-commercial harvest/removal of small diameter (up to 10" DBH) material within Jefferson County Reforestation Lands.

The pricing will include the attachment with all options available and delivery to Watertown, NY 13601.

To place a sealed bid the vendor will need to provide a specification sheet for the attachment they are offering for sale and a total price including delivery. JCSWCD is tax exempt.

Sealed bids will be accepted until 4:00 PM May 8th, 2017.

Sealed bids should be mailed to: Jefferson County Soil & Water Conservation District, 21168 NYS Route 232, P.O. Box 139, Watertown, New York 13601. Please mark the bottom left of the envelope "Forestry Attachment Bid".

The bids will be opened on May 8th, 2017 at 4:00 PM at JCSWCD offices in Watertown, NY.

The winning bidder will be notified after the Board meeting to be held on the same day at 5:30 PM.
