

Van Camp 175 acre lot located in Worth is home to the newest covered bridge in Jefferson County.

MUCH more than scenic views! Conserving soil, air, and water quality, along with wildlife and fish habitat WITHOUT compromising the same needs of future generations!

Williams & Parks 188 acre lot has 2 miles of scenic, multi-use trails, deep gorge & parking!

## Why improve trails?

**CONTROL** erosion

**PROTECT** natural resources

**DETER** misuse

**CREATE** a safe environment

**PROMOTE** economic development and tourism

Jefferson County Soil & Water District manages 5493 acres of Jefferson County's forestlands! Sustainable forest management incorporates land stewardship at its finest.

Our goal is to maintain the land in perpetuity with regular output of renewable resources **without** impairing the future productivity of the land.

Please follow ALL regulations when using trails on Jefferson County Forest.
